## About Us

CRACO Metal Supply is a steel service center founded in the early 1980's on the principles of great customer service and a commitment to quality. The years of unwavering implementation of these values has allowed our business to expand. Our growth is largely attributed to the loyalty of our customers and the personal attention they receive, a trait not commonly found in today's automated business

## Our Services

We supply a full line of coated and painted steel products to several industries throughout the United States. We purchase from all the domestic steel mills so you can be assured the products you receive will be of the highest quality. CRACO is proud to offer paint colors by Valspar. We stock 20 colors of 29ga (.0142x40.875) Painted Valspar Weather XL.
